FC-BW

PRODUCT DESCRIPTION

5.5" B/W CRT monitor with IR waterproof B/W camera

NARRATIVE

This 5.5" monitor is without the doubt the most stylish and the most compact-conventional black and white CRT system available.

Fantastic picture quality from this neat, attractive and easy-to-fit 5.5" monochrome monitor, which can take either 1 or 2 camera inputs as standards. Features bracklit control buttons for ease of use at night. The compact camera includes 18 infra-red LEDs for ultra-low light performance.
