

PRODUCT CODE

FP-42T

PRODUCT DESCRIPTION

4.2" Windscreen Mount Touch Screen TFT LCD

NARRATIVE

The FP-42T is the simple solution for vehicles with limited space. The super strong flexible foot uses 3M adhesive tape to secure this unit to your windscreen. The bright colour screen is controlled by remote control or touch so there is no bulky buttons. The reverse gear triggers AV2 to override allowing hands free reverse camera operation. This display is an eye catching display suitable for any retail environment to highlight specials and enhance advertising.
